Cambridge, October 23rd, 2010

Thank you for your support!

Dear Creating Cambridge team,

We are very grateful to have received a donation of GBP 151 at the Creating Cambridge Big Summer BBQ on July 16th, 2010. Without such support, the work of Aiducation International UK, which provides top talented and needy children in Kenya access to secondary education, would not be possible. It is only through the combination of time and effort from Aiducation International's volunteers, and financial support from individuals and groups with a philanthropic mindset such as Creating Cambridge, that strong social impact can be achieved.

Thank you.

Best regards,

Jan Rihak
