20<sup>th</sup> October 2010

Dear Sir/Madam

### **Receipt for Donation to EACH**

On behalf of East Anglia's Children's Hospices (EACH) I would like to thank you for your contribution of £151.00 which is being used to care for and support life-threatened children and their families.

Our key achievements in 2009-10 include...

- Increased number of hours of care to families by 15% to 75,000
- Increased number of families supported by more than 25% to 464
- A national nursing award given to the Quidenham based care team for their work in caring for newborn babies at the end of their lives and for supporting their families.

Many of the children and families would like to share how EACH makes a difference and through our letter send you a special thank you for your support. Elliott is 13 and attends the hospice. Elliott says "I look forward to the outings and sleepovers as they are always fun and they don't treat me like I'm ill". Megan is a little girl receiving care and Megan's dad writes "They provide a home-from-home environment, and even though we miss her when she stays, we can relax and recharge our batteries knowing Megan is in the best possible place for care. They also have family rooms, so we or other family members can be close to her."

EACH is able to provide this vital care because of your support. During the coming year we will be raising nearly £6 million to fund local children's hospice care services in East Anglia and the majority of this will be funded from voluntary donations. Your donation and help is so important and very much appreciated.

With our repeated thanks and very best wishes.

Yours Sincerely
